Original Fruit and Olive trees

St Brigid's College

Flora Terrace Reserve

Home images for illustrative purposes only

Once an orchard filled with blossoming fruit trees, this amazing piece of land is now up for sale.

The generous sized lots in Canello Vale offer space and tranquility for your new home. Many lots have original fruit trees retained from the orchards, whilst some lots are also crossed by the brook that runs through the bottom of the Vale.

Canello Vale will be immaculately landscaped in all the common areas, with frontal fencing on Orange Dale Road and a walled entrance into the new street of Fasolo Place.

Only 30 minutes from Perth CBD, Canello Vale offers country living in the peacefulness of the Perth Hills. With shops, public and private schools close by; and just walking distance to the nearby Flora Terrace Reserve.
